**CIVIL ACTION NO. SA-23-CV-580-FB**

**SCHEDULING ORDER**

*Pursuant to 28 U.S.C. § 636(c)(1), all full-time United States Magistrate Judges are authorized and empowered to try any civil case, jury or non-jury, with the consent of all parties to the lawsuit. Because of the crowded condition of the criminal docket in this District and the difficulty in reaching civil cases for trial, you may wish to consent to the trial of your case by a United States Magistrate Judge. If you wish to consent to a trial before a United States Magistrate Judge, your decision should be communicated to the United States District Clerk's Office, and you may indicate your consent on the attached form or request a form through the Clerk's Office. Your consent to trial by a United States Magistrate Judge must be voluntary and you are free to withhold your consent without suffering any adverse consequences. If all parties consent to trial of this case by a United States Magistrate Judge, this Court will enter an order referring the case to a United States Magistrate Judge for trial and entry of judgment. If the case has already been assigned and/or referred to a United States Magistrate Judge for pretrial matters and the parties consent to a trial before the United States Magistrate Judge, the trial will be before the United States Magistrate Judge already assigned to the case.*

The following dates are entered to control the course of this case:

1. The parties shall complete ADR (usually mediation) in compliance with Rule CV-88 by , **August 30, 2024**. A motion objecting to ADR must be filed no later than **June 28, 2024**.

4. All parties asserting claims for relief shall file their designation of testifying experts, and shall serve on all parties, but not file, the materials required by FED. R. CIV. P. 26(a)(2)(B), by **November**

**21, 2024.** Parties resisting claims for relief shall file their designation of testifying experts and shall serve on all parties, but not file, the materials required by FED. R. CIV. P. 26(a)(2)(B) by **December 20, 2024.** All designations of rebuttal experts shall be designated within **14** days of receipt of the report of the opposing expert.

5. An objection to the reliability of an expert's proposed testimony under Federal Rule of Evidence 702 shall be made by motion, specifically stating the basis for the objection and identifying the objectionable testimony, within **45** days of receipt of the written report of the expert's proposed testimony, or within **30** days of the expert's deposition, if a deposition is taken, whichever is later.

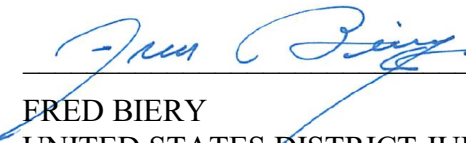

6. The parties shall complete all discovery on or before **January 21, 2025.** Counsel may by agreement continue discovery beyond the deadline, but there will be no intervention by the Court except in extraordinary circumstances, and no trial setting will be vacated because of information obtained in post-deadline discovery.

7. All dispositive motions shall be filed no later than **February 21, 2025.** Dispositive motions and responses to dispositive motions shall be limited to **20** pages in length. Replies, if any, shall be limited to **10** pages in length in accordance with Local Rule CV-7(e).

8. **The trial date will be determined at a later date by the Court.** The parties shall consult Local Rule CV-16(f)-(h) regarding matters to be filed in advance of trial. At the time the trial date is set, the Court will also set the deadline for the filing of matters in advance of trial.

It is so ORDERED.

SIGNED this 25th day of April, 2024.
